## The Tracing Relationship between Taiwan to Japan in the Erly time of Ching Ruling, 1684-1722

*Cheng Jui-ming*

### Abstract!

Taiwan and Japan are both at the east side of Asianland, belongs to the same monsoon area .Since the 16th century ,the habitant of them are using jalor/Junk to communicate with each other to have intimate relationship. The relationship of trade means a lot between Taiwn and Japanese relationship the begining of the Ching dynasty ruling.The writing makes discussion according to four perspective: the amounts of the ship, the memebers on the ship, the path of the sailing and the goods trading according to the Japanese classics materials—*Do Tsu Ji Kai Shyo Jik Rok* etc. and the recently correlated studying. As the result saying, the trade was reigned in the begining of the Ching ruling,and it contrast to other writings acclaimed that only developed the trde between them but others under the Ching's passive governing.
